Dear Mr. Burleson:

We understand that you will be producing and airing programs directed especially toward members of the Cheyenne and Arapaho Tribe. During those times of the broadcast schedule when you will not be presenting your programming the Oklahoma Educational Television Authority (OETA) could be rebroadcast on the system.

Our only restrictions would be that the content can not be altered and the logo continues to be on the screen when our programming is being rebroadcast. Thank you for considering the content of OETA.

Best wishes in this endeavor and please don't hesitate to call if OETA can be of further assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Schiedel", is written over a large, stylized blue scribble.
